1. Abdul Samad Sheriff, M.B.B.S., is a Mysorean, belongs to a respectable family, has had a successful career, has good physique and presence and is likely to make a good officer. Most Honoured Sir,

I most respectfully beg to bring the following for your gracious consideration:

I passed the Final M.B.B.S., Examination held in August 1939, of the Mysore University and submit most respectfully this my humble application for the post of a Medical Probationer in Mysore State Service.

I may be permitted to mention in this connection that I belong to an ancient respectable and loyal Muslim family of Bangalore and that I am the son of the late Abdul Razack Shariff, Sar-Khazi of Bangalore City. After the demise of my father, I am the main support for the family being the only son and my appointment in Government Service will be a great relief to the bereaved family.

In the circumstances submitted above, I humbly pray you, Honoured Sir, to kindly consider my case favourably.

Dated 23rd Aug. 1939.

Dear Doctor Narayana Rao,

With reference to the application for an appointment in Mysore Medical Service which my son-in-law Mr V. R. Koppikar is submitting to you today, I wish to bring to your kind notice that though he is not a Mysorean, he comes from the Karnataka and that Kannada was his second Language during his educational career.

May I take the liberty of bringing to your notice, in this connection, that a few days ago I had taken my son-in-law

to the Dewan with a request to provide him with a place in the State Service? I then represented that the objection that my son-in-law was not a Mysorean might be waived and the Dewan, who appeared to be inclined, very kindly, to favourably consider that request, desired me to take Mr Koppikar to you with a view to take the necessary steps in the matter

I request you to kindly do your best to secure for my son-in-law a place in your

Department suited to his qualifications

Thanking you and with kind regards,

I remain

Sir,

I am given to understand, that the Medical Department is taking in shortly, Medical Graduates, as probationers. I am a Mysorean by birth and a Medical graduate of this University. My father is a retired Medical Officer also a Mysorean.

I completed the course in the Medical College in the year 1937 and am one of those to pass out of the College without being detained in any year. I also won the prize for Midwifery in a competitive examination held in the final year. I have worked for two years in succession as a House-surgeon at the Krishnarajendra Hospital, Mysore. As a House-surgeon, I was able to work in all the Departments of the Hospital, which, while giving me experience, won the approbation of my superiors. I can confidently undertake the work, that is expected of me as a Medical Probationer. I pray that an opportunity of serving in the Medical Department in Mysore, may be given to me, when the next batch of Medical Probationers are taken. I am enclosing necessary credentials.

To

Amin-ul-Mulk Sir Mirza M. Ismail,
K.C.I.E., O.B.E.,
Dewan of Mysore,

BANGALORE.

Respected Sir,

I, the undersigned, crave your permission to place before you the following facts regarding myself for your kind and gracious consideration.

I am the last son of the late Mr. K. Narayana Iyengar, who was serving as a munsiff in the judicial department of your government, when he met with a premature death at the early age of 32 years. My father left behind him besides his wife, three sons and two daughters. In consideration of the fact that my father died in harness, the government of His Highness The Maharajah of Mysore were graciously -- pleased to grant free-studentship to all the three of us - which concession enabled us to prosecute our studies in the scholastic careers. I may be permitted to mention here - that my eldest brother who graduated from the Engineering College, Bangalore is in the grade of Assistant Engineer in the P.W.D. by the act of kindness shown by you, while my second brother is employed as an agricultural inspector.

As for myself, Sir, I am happy to acknowledge the generous help which your benevolent government were pleased to give me by way of granting me a free-studentship during my scholastic career, and later scholarship for a few years in the Medical College, Mysore from where I graduated a year ago. Now I have finished the period of House-Surgeoncy in the Victoria Hospital, Bangalore.

Q.No. 3310.

MYSORE

Respected Sir,

I beg to bring to your kind notice the following few lines for your kind notice consideration & necessary action.

I beg to state that I am a graduate of the Medical College, Mysore (M.B.B.S) having passed in the year 1938 (December) in II Class. I beg to give below a short report about my Student career.

I was born on the 14th August 1914. Tracing my career from my High School class, I beg to state that I completed the S.S.L.C. Examination of 1931 in I class & was awarded a Medal in Chikmagalur High School as the best outgoing Student. I took up I.Sc. leading to Medicine completed it in the year 1933 in II class & joined the Medical College in June 1933. I completed my M.B.B.S. Course in the month of December 1938. During my Student ship in the Medical College, I was the recipient of the Government Scholarship in the IV year & Merit Scholarship in the Final year & I completed the Course in 5½ years having dropped a term in the III year.

After my Graduation, I applied for the Health Probationer's Post as well as the Medical Probationer's Posts which were advertised in the Gazette & was not fortunate enough to be selected for any of those. I was also not given a place for Medical Probationer's Post the 2nd time the Selection was made. Sir, I merely represent the above facts to you just to put you in the

know of my unfortunate position. I am an orphan & have none to support me. I entirely depend on your mercy to give me a footing in life. Losing my parents at a very early age, it was with great difficulty I am a Medical Graduate to-day. The Government & Merit Scholarships awarded during my student-ship in the Medical College were the only sources through which I could pay up my fees.

Up till now I was working as a House Surgeon in the Victoria Hospital for about 9 Months & it terminates from the 25th of this Month.

I am awarded a Gold Medal in the Convocation as I have obtained the highest Number of Marks in Surgery in the final examination of 1938 December.

Coming from very ordinary circumstances, I have no other opening except to think of becoming a Government Servant. I earnestly pray that you should give me a chance at an early date to redress my grievances.

I hope my earnest appeal will have your kind favour & I eagerly expect something to my advantage.

Thanking you.

I remain
Sir.
Yours obediently.
B. Ramakrishna Moorty.

Sir,

In submitting herewith an application in original, received from Mr. T.M. Sadanandam, M.B.B.S., through the Director of Public Health, for the post of a Medical Probationer, I have the honor to state as follows:-

Mr. Sadanandam is a graduate of Madras University and is a very keen young man. After obtaining the degree of the Madras University, he worked as an Honorary House-surgeon in the Victoria Hospital, Bangalore, for a period of six months, during which period his work was found very satisfactory. He possesess a good personality and happens to be the son-in-law of Dr. T.Seshachalam, who is the Medical Officer of the Victoria Hospital.

Respected Sir,

I beg permission to submit the following few lines for your kind consideration and favourable orders:-

I am a Medical Graduate of the University of Madras having taken the M.B.B.S. Degree in November 1938. After my graduation, I worked in the Victoria Hospital, Bangalore, as an Honorary House Surgeon for a period of six months, and during which period I evinced a keen interest in learning practical work, and was for some time working as a clinical assistant to the Surgeon. It was my sincere desire and ambition to work as a clinical assistant in a hospital from the beginning, but circumstances so happened that I had to take up the temporary appointment of Assistant Superintendent in the Vaccine Institute, Bangalore, in which capacity I have been working since 16-10-1939. I learn that a few vacancies of Medical Probationers are likely to arise in the immediate future, I beg to offer myself as a candidate for the same. If I am fortunate enough to be the recipient of one of the posts, I spare no pains to discharge my duties to the entire satisfaction of my superiors.

For which act of kindness, I shall ever be grateful to you, Sir.

Most respected Sir,

Please permit me to place the following few lines for your kind and sympathetic consideration and favourable orders:-

My grandson Mr. M.L. Loganathan has passed the M.B., B.S., Degree Examination of the Mysore University held in 1939, securing a II Class. At present he is undergoing training as a House Surgeon in the Victoria Hospital which is due to expire very shortly. I am given to understand that two Probationers are proposed to be entertained to the Medical Department, one for the District Hospital at Mandya, and the other as a Demonstrator of the Medical College at Mysore.

In this connection I beg to urge the claim of my grandson in view of the backwardness of the community to which we belong viz., the Mudaliar, as also of the very few representations that the community has especially in the Medical Department. I may be excused to represent that on account of my extreme old age I am not in a position to work for the maintenance of the family and my grandson forms the only main stay. At great risk I have so far managed to educate him.

In view of the foregoing circumstances I humbly beg to request your good-self to be pleased to order my grandson Mr. Loganathan being selected as a Medical Probationer in any one of the above two places.

For which act of kindness and generosity I shall

Sir,

I graduated in medicine and surgery through the Medical College, the University of Mysore in the year 1937. I obtained first class in the first M.B.B.S Examination part two (physiology, anotomy & organic chemistry) and a competitive prize in physiology valued Rs.300/-.

I was working as a house surgeon in the Krishna-rajendra Hospital, Mysore for seven months subsequent to which I was appointed temporarily as a demonstrator in physiology, Medical College, Mysore. I served for one year and a half in the latter post at the end of which due to changes occuring in the Department I was releaved of my duties in the month of July 1939.

At present I am not in any service. May I request you therefore to be so kind as to favour me with a post of a probationer in the Medical Department considering the satisfactory work I did during my stay in the University.

Trusting that my application will receive your kind consideration and thanking you,

D.O. letter dated the 30th January 1940 from Mr. K. Vyasa Rao, Gururajaprasad, North Road, Basavangudi, Bangalore, to the Dewan of Mysore, Bangalore.

I request you may be pleased to permit me to write on behalf of Dr. S.T. Parthasarathy, M.B.B.S., Armugam Gold Medalist, (Mysore University). His father, Mr. S.T. Raghavachar, was in the Mysore Educational service and retired as Head Master, High School, Hassan. He is an author of standard school books and is residing with his son at Bangalore. Dr. Parthasarathy has been running a dispensary of his own and is practising as a medical practitioner for the last three years. His aspiration is to complete his medical studies by a course of further specialisation in Europe and is therefore anxious to get into the Mysore Medical Service. I may add he had a brilliant college course and was awarded a Government Scholarship during the entire period of studies in the College in Mysore. The testimonials of Drs Robinson and Seshachalam among others will testify to his being far above the average. I have known him rather closely as my own personal Doctor for nearly a year now and very much desire to tell you what an acquisition he will be to any of the State Hospitals. I am yet unable to walk once I leave my car and get down. Hence I have ventured to take the liberty of writing to you, relying on your uniform and exceptionally kind indulgence to me. I beg to enclose a typed copy of his forma application setting forth all his qualifications for entry into the service.

If I venture to add anything on his behalf myself, it is merely in the capacity of a man in the street who may have the liberty of wishing how much of a benefit it will be to a Public Institution to possess such a man as one of the members of its staff. His behaviour and manners leave nothing to be desired especially as a Doctor. No institution, however distinguished, will suffer to any extent in public appreciation or popularity on account of Dr. Parthasarathy being connected with it. About his merit of which I am not qualified to speak his suavity as a medical man is a striking feature in him. Since his completing his studies in Europe will greatly depend on his being drafted into the Government service now

Respected Sir,

I beg to state that I am an M.B.B.S. of Mysore requesting for permission to represent the following for a favourable consideration.

I beg to state that my father was a very poor Areca-garden-owner in Sringeri, Kadur, and during the last decade. The family has been seriously handicapped by the miserable plight of Areca-Land-holders, added to which is the burden of families of my two sisters - one of my brothers-in-law was murdered along with his son and a workman near Chikmagalur four years back, while the other, son of a once well to do areca-land-holder. is now left Bankrupt, illiterate physically weak.

Regarding my College, Career, I was holder of a Government Scholarship for three years, a Merit Scholar in one of them and eligible for two of the available three prizes in Competative Examinations in the final year. I have tapped the list in Medicine in three successive examinations including the final in which my score was over 63% with 68% in medicine.

May I, therefore, most humbly pray before you for a generous consideration of my Application for an appointment in the Mysore Medical Department.

I beg to remain,

B. K. NARAYANA RAO, Esq., B.A., M.B.C.M., M.R.C.S. (Eng.), D.P.H., D.O. (Oxon.),
Senior Surgeon with the Government of H. H. the Maharaja of Mysore.

To

The Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

In continuationof my letter No. G.C. 382-3 dated 16th July 1940 recommending the entertainment of two Medical Probationers out of the three available vacancies, I have the honor to state that although there are three vacancies available to be filled up according to details furnished, only two appointments were proposed pending the decision of Government in regard to Mr.B.L.D'Costa, Assistant Surgeon on leave. Subsequent to the issue of Government order sanctioning the retirement of Mr.B.L D'Costa, three vacancies became to be filled up.

I have this day received an application from Mr.C.S.David, Assistant Surgeon on leave, stating that he has returned to India from England and reporting himself for orders of posting. As a Medical Probationer has already been entertained in place of Mr.C.S.David on leave(please vide allocation list santioned in G.O.No. G. 452-3/med. 271-39-8 dated 16th July 1940), the services of the junior most amongst the existing Medical Probationers are liable to be terminated from the date on which Mr.David joins duty. Instead, I propose that only two Medical Probationers be entertained against the three available vacancies; the remaining vacancy being utilised for reckoning the appointment of Mr.Abdul Samad Sheriff the junior-most amongst the present Medical Probationers.

I have the honor to be,
Sir,
Your most obedient servant,
